

BIG TOPIC Summer

JUNE 8 – AUGUST 31, 2008

Big Topic Summer will be the theme for the Youth on Sunday mornings. This will be an academically oriented survey study of the major topical themes of the Old Testament. We will not necessarily get into the nitty gritty of each subject, but will major on the primary themes and principles from each major story. For this study we will focus on the first half of the O.T. spending the majority of our time in historical books.

Class will take place on Sunday mornings during the first service directly following worship and will meet in the youth room.

Our BIG TOPICS will include:

Creation

Adam, Eve & The Fall

Noah & the Flood

Abraham & the Covenant

Ioseph

Moses & the Exodus

Ioshua

Iudges

Saul

David & the Covenant
