Family Life – Pt.3

Entering Into a Secure Family Life

Goal: To see that God is our only “full” security.

Vision: That in a family-like atmosphere we would learn how to properly love each other, love God and introduce him to others.

Icebreaker: What leader, great or small, do you admire? Why?

Discussion:

1. In your group make a list of things that you would consider basic components of “security”.
2. Name some things in your life that help you feel secure. What does your security in these things depend on?
3. Some people say “wealth is security.” What does wealth protect you from in today’s society?
4. Can you name anything that offers 100% security? Explain.

1 Timothy 6:17 “Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment.”

6. Is God worth putting your hope in? Explain.

Conclusion: Security is an illusion as long as we try to “control” our own lives. Only when we give God complete control of our lives can we have any sense of security and well being.
